

**THE NORTHERN LIGHT  
ICELAND NEWS  
THE WEIMER FAMILY  
SINCE 1999**

**Construction/Camp preparation:** After the construction team left 3 weeks ago I have been able to paint and install lights in all rooms and they are ready for summer camp. The team installed 231 sheets of drywall and mudded much. I was able to finish mudding, sanding, and painting last week. The floors are the only item that we were not able

to complete. I was able to paint them, so the concrete dust does not get on the kids as they sleep in the rooms. Morningside Baptist Church sent us an offering towards completing the floors. We know the Lord is doing this work and trust Him to help us to complete it in His timing. Summer camp week is July 23<sup>rd</sup> – 28<sup>th</sup>. Summer camp ends with a community outreach where we have a carnival and invite the friends and families of all the children in camp. It is an opportunity to have the community in the church to see what we are doing. Great opportunity to preach the Gospel as we have awards banquet at the end of it all and share what was done in camp as well as decisions made for Christ. We did have camp every year from 2002 up until 2014. This year is almost like a restart of our youth ministry as most of the kids have never been to camp before. The children attending camp are kids that have been riding to church on the bus we purchased and started running one year ago. Most of these children have been taught, prayed for, and ministered to throughout the year. We are certain that many children will make some solid decisions at camp. Please be praying about our camp week and community outreach at the end of camp. Thank you! **Sponsorship for the camp is met!** Thank you all for your sponsorship to

have kids come to camp. **Intern coming from Golden State Baptist College:** Nathan Sears, son of Pastor Sears at Coastal Light Baptist Church in Charleston South Carolina, is coming to intern for a month and help us with our summer camp. He is accompanied by Megumi Wright, daughter of Johnny Wright who was a missionary in Iceland for 18 years and pastored the Military church where I was saved. They feel as if God may be leading them to Iceland to work in the ministry. Please be praying for them as they come for a mission trip. Megumi was raised in Iceland from birth until she was 12 years old. They are both students at Golden State and set to graduate May of next year. They are engaged to be married, too! It would be a blessing if any of our churches would like to help this young couple in Bible College as they come to Iceland. If you wish to be a blessing to them with an

offering, please send it to BMFP and label it, Sears Intern Iceland, and we will make sure that it all goes to him. Megumi is also a student at Golden State and is set to graduate soon as well. **Summer Plans:** In addition to the summer camp and outreach, we plan to saturate the area around the church with Gospel tracts and information about the church to over 10,000 people. I have a family coming after camp to help with cleanup as well as do some construction. This is Pastor Weniger's son, Brad. He and his family are coming to help. Pastor Weniger has supported us for many years at Central Baptist Church. This is their second trip to Iceland to help in the work. I am very thankful for people coming from our supporting churches. It helps stay close to those holding the ropes for us to be here! Thank you for praying about all that we plan to do for the Lord in Iceland. This quarter we saw 3 adults trust Jesus for salvation as well as many other decisions to live for Christ. We will have a baptism service very soon for those who have been saved. I want our supporters to know that we are committed to serving the Lord in Iceland. My three kids and Vicki all serve by my side in the work. Thank you for praying for Iceland.
