

# THE NORTHERN LIGHT ICELAND NEWS THE WEIMER FAMILY SINCE 1999

You see our new family photon the top left. Clayton worked off his school debt and returned to PCC this month. He is settled into classes and doing well. We miss him very much in both family and ministry. To the right is a photo of Phyllis getting baptized. She is an 18-year-old who came to Iceland from Germany, by herself at age 17. After **God gloriously saved her, she was very excited to be baptized.** Please keep her in your prayers as she is learning to live for Jesus.

**Brad and Kali Weniger and their children Sammy and Annie** from Central Baptist Church in Virginia came to help clean up after summer camp. They also helped complete the framing of a wall in the future main auditorium. This is their second trip to help in the work. I can't express what a huge blessing they were to me personally. **Nate Sears and Megumi Wright** engaged to be married, came to intern this summer, left in August to go back to Golden State Baptist College. What a blessing they were! Another bonus was to have **Jessica and Ricky Draper**, Vicki's sister and her husband, come to help. (Photo right) They left in August after being such a help in the work for almost three weeks. They both serve on staff at Landmark Baptist Temple and Christian School in Seffner, Florida. I can't express what a blessing it is to have family come and serve the Lord with us. Others who helped this summer for nearly three months were **George and Lara Cvek.** (Photo Left)

They were both a blessing before camp in preparation as well as during and after. Lara is an Icelandic lady who left Iceland when she was a girl, served in the US military, and comes back every year for a visit. This year, her 14-year-old granddaughter came with them from Texas and trusted Jesus as her Savior in our summer camp!

**The work goes on in Iceland** even after the extra help departed. I spent some time on the roof doing repairs. I have some other repairs to do before winter comes. Please pray that I get them done. The translation work is getting more focus as our summer outreach programs have ended. We are gearing up to receive two families who feel called to Iceland as missionaries. I will share more about this after they come for a visit. We are also gearing up for a construction team to come in six months to tile and build doors. My prayer request is to complete the building project by the end of 2020 when I am 50 years old. We pray churches will come and help us with this goal.

**2018 has seen several saved and baptized!** We are thankful for the growth. Please pray for leadership to grow from within the church. With more people comes more responsibility to minister. The international church has averaged 35, and our Icelandic services 45 during August. Most of our English church is immigrants from many different countries. Our Icelandic service is mostly children and teens through our bus ministry. Imagine our joy when a mother and father of two new children came to church services yesterday! Please pray for the adults, especially the parents of the children whom we currently pick up in the bus ministry. The photos below are from August. Left photo is our bus ministry when we rejoiced to have 54! The right photo is of our international English with 45 in attendance. It is an honor to serve the Lord in Iceland. We intend to stay faithful until the work is finished. That includes: church planted and in national's hands, Bible translated, curriculum from K to college, music and song book, Christian school, Bible dictionary, commentaries, and other study tools...and more! The work will take a lifetime, and we have chosen to give to the Lord our lives for this purpose. On behalf of my family and the country of Iceland, we thank you for praying and supporting the work in Iceland.
