

THE NORTHERN LIGHT ICELAND NEWS THE WEIMER FAMILY

The 18-passenger mini-bus is on the move for Jesus! What a blessing to see boys and girls, with some parents, coming to church each week. These are the children who will be able to attend our summer camp in July. We have been praying for them, teaching them, and building relationships with them since June last year when the bus ministry got up-and-running. Several of the children have made decisions to trust Jesus as their personal Savior. Several are thinking about it very much! We begin with no knowledge at all about God, or the Bible, and

work up from there. It is not a quick process. We patiently seek to see them understand the Gospel and wait for the Lord to bring them to a decision. It is hard to wait for the fruit, but every good farmer understands that seeds planted take time to bear fruit. In the photo, top left, from April 1st we had 34 on the bus; that is two trips! Summer camp is for those who faithfully attend. It is at camp where we often see children come to full understanding of the Gospel and are saved. **We do need sponsors for the kids to go to camp.** It is sad that not everybody in Iceland sees the value of a Christian camp. Please consider sponsoring a child to camp. We hope to see up to 50 in camp on July 23rd – 29th. Sponsorship for a child is \$150. If you or your church would like to sponsor a child to camp, you may send the offering to the mission board; labeled "Summer Camp Iceland." The camp theme is "Live the Life" and will emphasize 4 truths: You will be somewhere forever; your life matters and is a gift from God; your life is supposed to be a light to give life; your life should make an impact for God in this life and have an eternal impact. **My three children are such a help in the ministry.** William is in the photo with pie in his face, as he took one for the team for a church promotion to boost attendance. He is finishing his first year in Bible College online at Virginia Baptist College. Clayton will be leaving back to PCC in August. He has worked hard to pay off his school debt and save money to go back to school. I am very proud of him. Rosa is finishing her junior year in high school, and she is very much looking forward to getting out of school next year! She might graduate in December. Vicki has a regular Bible study with a young lady in our church, Bjartmey who is really growing in the Lord. Vicki also teaches English to a lady from Ghana with a goal to teach her Icelandic later. She has never learned to read or write her own language. It is a blessing to see an adult learning to read for the first time. I am so blessed to have my entire family serving alongside me, and they want to do it for the Lord. Below is a photo of our service on April 1st. We had several of our faithful not in church, however, there was a good group of

people. Two adults made decisions to trust Jesus as their Savior in the morning service. This is our English international service. William also had a child that said that, she too, chose to trust Jesus. It is a blessing to see people commit their eternity to Jesus. Pray for them to trust Jesus to live for Him day by day until we enter eternity. Thank you for praying! Thank you for your support of the work in Iceland!
