Reaching the World Through Iceland since 1999

**Photo left: Vicki, Pat, Clay, and Will August 1999.** It is hard to believe, that 20 years ago on August 24<sup>th</sup>, we came to Iceland as missionaries. As I reflect on the 20 years, I can see God has truly been my "Present help in time of need." By God's grace alone I have served with Vicki and my children. Rosa was born here in 2001. We buried one child, Sarah, in 2007. All of my children are in college now. I am very blessed to have had my wonderful family serve with me in the church plant. When we came in 1999, I had no idea what the work in Iceland would require. It's a good thing too! What an honor it is to continue to serve Jesus

in this land that so desperately needs light! It is going to take more than my lifetime to complete the work needing to be done in Iceland. I most gladly will "spend and be spent" for the glory of God in Iceland. **Photo right:** It is wonderful to have visitors in Iceland. Lára and George Cvek were with us for the summer. They are greatly missed! Thank you both!

**Photo below:** We press on to see children come to know Jesus through our bus ministry.

It is so important to reach these kids. Thank you for praying for them. Vicki, William, and I teach in the Icelandic children services. John and Phillis are two young adults from Nepal and Germany that have a heart

to minister with us. We also have a young lady, Bjartmey, who is helping us when she is not working. Thank you for praying that Jesus would raise up and send faithful workers for the bus ministry. **Photo right:** Our teens are seen enjoying

themselves after teen church on Wednesday. Teens in Iceland are under tremendous pressures. It is only magnified by a very anti-Christian society. Thank you for praying for them to stay faithful to Jesus through their teen years. **Vicki has the joy of holding a ladies' Bible study on Wednesdays.** The group is quite an international group. **Photo right:** That

group of ladies came together to have a baby shower for a couple from Poland expecting a baby in October. **Patrick has a men's Bible study on Fridays** and has seen a faithful group of six men coming. Each week, through both the English and Icelandic ministries, we have had the opportunity to minister to 70-80 children, teens, and adults. **Photo below:** The international English-

speaking ministry has had an increase of people from the Philippines of late. The new additions came to

work in Iceland as an au pairs for a year or two. It is a blessing to be able to minister to these visitors in Iceland. **Building project, November 2019:** It was in 1994 that the church body of US military members, serving at NAS Keflavik, started building a place for worship. The base closed in 2006, and the project was less than 30% finished. It has been a long road, but it seems we

are nearly finished. I am looking to see a team come and help in November. I have chosen the name **TEAM JORDAN** because we are nearly finished. I can see the goal in sight. This link will allow you to view a video sharing the project <https://youtu.be/VdW-1sfQoog> Thank you for praying for this project! Don't forget our website [www.fbkieland.com](http://www.fbkieland.com) has videos and information about the work in Iceland. Upcoming projects and outreach: Building project Team Jordan, Thanksgiving and Christmas. Thank you for praying for all these items in the prayer letter.
