The Weimer Family

Reaching the World Through Iceland since 1999

December came and went so quickly. Our children's program was used of the Lord to see souls come to church who had not heard the gospel. Vicki had a great idea to have a "cookie train." Lots of people baked Christmas cookies, including Patrick. The kids got in line and were able to pick one at a time as they

passed the cookie table. The adults really appreciated our pouring out this love to their children. In the photo to the right are some of the children who attend each week. They are precious. Please pray for them as we try to increase our influence in their hearts and minds for Christ. Thank you! The photo below left is of the kids singing during our Christmas outreach. What a joy to sing unto the Lord! As

we start 2019, we have started new programs for the children. They are growing up giving us a good group

of teenagers now.

We started a teen church on Wednesdays. This is for Icelandic speaking teens. This service follows our Ladies' English Bible study that Vicki leads. We moved our family service for Icelandic speaking families to 1:30 on Sundays. This follows our English services that run from 10:15 – 12:00 noon. The photo, below right, gives a glimpse into this ministry. Those in the photo are

from Iceland, Haiti, Nepal, Germany, Romania, (in the foreground), Philippines and America (in the background). It is truly an international ministry. God is letting us reach the world through this little island of Iceland!

We have posted all our prayer letters for 2018, lots of information, and links to help stay connected with the work in Iceland. I also have a vlog & blog page with Bible devotions through our website. I trust this will all be a blessing to those who wish to stay closely connected to what the Lord is doing in Iceland. August 2019 will mark our 20th year in Iceland serving as missionaries. It is an honor. The work before us is great, but our God is greater! Thank you so much for your continued love, support, and prayers for the work of God in Iceland.

Clayton leaves for PCC on the 16th. He is excited to conquer another semester. William is starting his 3rd semester at VBC towards his double major in Missions/Church ministries and Math Education. Rosa has finished high school and is working and saving for college. They are working hard to pay their own way. She hopes to step out in September in pursuit of God's will. Please pray for all these items.

Remember, if you desire to stay in closer touch, then please look at the website and FB pages.
