November 2021

I asked Patrick if I could introduce you to some amazing people. Through their faithful service to the Lord, we have recently been able to expand our children's ministry. Most of them have no formal training as teachers, but we are learning together. Please pray for them in their commitment to serve Jesus. - Thanks, Vicki

It brings great joy to my heart to serve along side of these precious servants of the Lord. Each has offered themselves "A living sacrifice" to the Lord! At times my heart is discouraged by not achieving all I dreamed of doing as a missionary, then I stop to reflect on what the Lord is doing, and my heart is truly blessed! These reached and discipled in our church plant serve beside us. Thank you for praying for us as we plant this church! - Patrick

Patrick – our fearless leader, of course. Basically, a superhero around here.

Phyllis (Germany) – moved to Iceland as a teen. She is our administrative assistant keeping everything running smoothly on Sundays. Calm in the storm.

Ruben Jonas (Brazil) – grew up in Iceland. **Faith** (Philippines) -works as an RN in Iceland.

They run our "sjoppa," the little store where the children purchase prizes with tickets they earn. Popular people.

Gwen (Philippines) & **Kamara** (Nigeria) – moved here as teens

New to serving, they run our game time. Their energy, though!

John (Nepal) and **William** (our son) – grew up in Iceland. John will be taking over for Will when he moves to the Sates. They team teach the 3-4 graders who love these out-of-the-box teachers.

Running our Bible memory room, these creative gals find different ways to teach the Bible verses of the day for the main teachers.

Bryndís (Iceland) – grew up in Iceland, wife and mom.

Rosaline (Philippines) – moved to Iceland with her husband and children.

Jenn (Philippines) – au pair, praying about staying in Iceland.

The children earn tickets here to buy prizes in the store. Making learning fun!

Bjartmey (Iceland) – grew up in Iceland and in our church.

She teaches the preschool children and has the patience of Job with those little tikes.

Clayton (our son) – helps Bjartmey with the little ones. He plans to head back to the Sates to finish college in the spring.

Violy and **Shemariah** (Philippines) – in Iceland for more than 15 years.

This mother-daughter team run snack time and help in my class. We would be lost without them.
