The Weimer Family

Reaching the World Through Iceland since 1999

Photo left is our morning group of **people that attend our English ministry**. There are people from America, Philippines, Iceland, Nigeria, Ghana, Germany, and Nepal in the photo. Most have not learned Icelandic enough to enjoy our Icelandic services. Some of our people in the Icelandic ministry attend because they love being

in church. This, of course, is a big blessing to us! Please pray for this group as understanding teaching is difficult. Though they understand conversational English some, reading and writing in English is often not yet attained. Thank you for praying for them and us as we strive to minister God's Word. Photo to the right is **Thanksgiving outreach**. We had several visitors and the Gospel was proclaimed. This holiday is not Icelandic; however, it has become our third largest outreach to have visitors who otherwise would not attend a regular church service. Only Summer camp family outreach and Christmas outreach programs see more people attend. Please pray for those who came to visit. Pray that they will return to learn God's Word. Pray, also, as we visit them that God will give liberty in their homes to preach Christ. **To the left is our children practicing for our Christmas program** where they will be singing and praising the Lord. Please pray that things will go as smoothly as possible with the children's choir. Please pray for the souls who will attend

services for Christmas that God will touch hearts and save souls. **Bottom right is our bus ministry group of children, teens, and adults** who attend our Sunday services from 3-5 pm each week. The bus ministry has opened so many doors for us to preach Christ in thousands of homes. Pray that these young hearts would continue and grow up in Christ. Pray that the teens would stand true. Please pray that the adults would rise and become examples of the faith. And thank you for praying for us as we constantly strive

to raise up a generation who knows, loves, and wants to serve Jesus. **Family News:** Clayton will come back from PCC and work between semesters during Christmas. He did great in his classes! Rosa finished high school early and went straight to the States in November to visit family. She returns with Clayton and will possibly be working to save up to go to college upon her return. William stayed here and took a full load of college courses, 7, and is doing great. He is set to graduate in 3.5 years with a double major: B.A. Church ministries missions and B.S. in Education. Please pray for all my kids as they are seeking God's will as to where to serve the Lord and what to do as a vocation. **Support:** Kind of goes without saying, but we do have needs, dreams, and desires to minister. Prayer request in this area is for us to trust the Lord completely and for the Lord to touch hearts. Thank you for praying!
