Team Hope: Photo left, Kerwin Baptist Church, our sending church, sent a team of six to help us get rooms ready for summer camp. Douglas (aka Dagan) and Jason Lisenbee also came to help with the construction. These rooms are in the church building we currently have in Iceland. These rooms will be used for much more than summer camp, however, we will first use them for our boys' dormitory in our camp this year on July 23rd – 28th. Please

pray about our camp, its planning, and its spiritual impact on the youth in Iceland. The children attending are children that have been riding to church in our bus ministry. Our camp is keyed to reaching the children that are in our bus ministry. Many children, who had absolutely no knowledge of the Bible before riding to church in our bus ministry, will have six days of spiritual impact at camp. They will come to camp, and we are confident that the seeds planted in their hearts throughout the year will bring forth the fruit of salvation in understanding the Gospel of Jesus Christ. Thank you for praying for our summer camp. Sponsors are still needed for the children to attend camp. If you would like to sponsor a child, we have need of 15 more sponsors at \$150. This money will help towards the cost of our 6-day camp.

We are a family of five missionaries serving on the mission field. My oldest, Clayton, serves in the church in many ways. He has worked hard to save tuition to return to PCC in August to continue his education. William, our middle child, is called into ministry. He is currently a Sophomore at Virginia Baptist College and made the President's list his freshman year. He is taking a double majoring in Church ministries and Math Education. Our youngest, Rosa, is a senior in highschool. She is seeking God's will for her future. I am very blessed to have my children serving beside me in Iceland. I could not do what I do without them. My wife, Vicki, of course is a big part of the ministry here. She is a missionary. She surrendered to serve the Lord before I was even saved. She is a tremendous blessing to the work in Iceland.

We saw a lady and a man trust Christ who are both from Ghana. I am so thankful for the international ministry we have that ministers to those who do not speak Icelandic. This year has seen several trust Jesus as Savior. I thank you all for praying. Below is a photo of the children praying. With very few exceptions, at our church is the first time that these children learned of a God to whom they may pray. It is an honor to teach them that "My house shall be called of all nations the house of prayer." Bottom right photo is of two girls that moved from Sweden to Iceland. Their mother is an Icelander, and they speak Icelandic and English. They fell in love with our bus ministry and love to come to church every week. Please pray for their decision to trust Christ. Thank you for praying for these precious souls in Iceland. Thank you for your faithful support of the work in Iceland.
